Subject: Recall Notification of 424944 Counter-Height Bar Stool

Sauder Woodworking Company is recalling item 424944 North Avenue Counter-Height Bar Stools sold through various retailers including Wayfair, from January 2020 – February 2021. We have been made aware that over time the legs can become unstable and pose a fall hazard. There have been no injuries, however we want to make sure all products provided by Sauder are safe for consumer use.

Please stop using the stools and remove them from service. Instructions are provided on the back of this page explaining how to render the stools unusable and attain a refund of \$100. Inside the envelope an L-Wrench has also been included. Please reference the image below to help identify the product being recalled.

How to determine if your product is included in the recall.

- On the bottom surface of the seat, there is a Date of Mfg. code that looks like the image below.
- The item number is **424944** and the Date of Mfg. will be **09/2019** or **08/2020**.

Visit the link below or give us a call for additional information:
